X

Assistant Commissioner for Patents  
Washington, D.C. 20231

PRELIMINARY AMENDMENT

Sir:

IN THE CLAIMS:

Please amend the following claims:

11. A method of producing a tablet including live bacteria comprising the steps:

a) mixing at least one strain of said live bacteria with at least one [fructose-containing saccharide] fructose oligosaccharide to form a mixture,

b) pressing said mixture into a tablet employing a force sufficient to form said tablet while maintaining [high] at least about 60% viability of said bacteria.

12. The method of claim 11 wherein said [fructose-containing saccharide] fructose oligosaccharide [are] is present in an amount of about 40-99.5% by weight of said tablet.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to Assistant Commissioner for Patents, Washington, D.C. 20231 on March 22, 2000.
